Dear Mr. Kinney:

In a memorandum dated 7 April 1981, Mr. E. E. Lowry, Jr., OSD Records Administrator, sent to us a CIA document with a request that we review its current classification status. We have reviewed the document and have determined that it should remain classified at the CONFIDENTIAL level under Section 1-301(c) of Executive Order 12065. It should also be noted that this document is an intelligence report containing unevaluated information acquired covertly which falls within the waiver of the 10-year review requirement granted by the Information Security Oversight Office making systematic re-review of this document unnecessary for 30 years. The document is returned to you herewith as requested.

Sincerely,

25X1

Chief, Classification Review Division
Office of Information Services
Directorate of Administration

MEMORANDUM FOR THE CHIEF, CLASSIFICATION REVIEW DIVISION
CENTRAL INTELLIGENCE AGENCY

SUBJECT: Request for Declassification Review

During the systematic review of all classified Office of the Secretary of Defense (OSD) documents over 20 years old, the Declassification and Historical Research Branch, Records Management Division, Directorate for Correspondence and Directives, Washington Headquarters Services, turned up the attached document(s).

The documents were either originated by your agency, contain information for which your agency is the classification authority, or are otherwise of interest to you.

It is therefore requested that your agency review the documents and recommend declassification, continued classification at the present or lesser level of classification, and/or review by other agencies.

The time permitted by Executive Order 12065 to reach the point where all OSD documents over 20 years old have been reviewed, and the large volume of over 20 year old OSD documents, make it necessary to request your response within 60 days. In your response, you may wish to provide guidance with regard to what categories of information you do and do not wish to have referred to you in the future.

Your assistance in effecting this review will be most appreciated. Please return the documents to Mr. Brian V. Kinney, Chief, Declassification and Historical Research Branch, Records Management Division, Washington Headquarters Services, Room 1D517, Pentagon, Washington, D.C. 20301, upon completion of your review.

Without attachments, this memorandum is UNCLASSIFIED.

E. E. Lowry, Jr.
OSD Records Administrator
